Display Advertising

Ecig Media's Display Advertising platform features the top sites in the vaping and cbd niche. What makes EcigMedia different than most advertising solutions is our integrated Display Dashboard that allows users to see how their ads perform across our entire network of sites in real time. This dashboard tracks several stats, including clicks and conversions per site.

Our system also paces campaigns automatically, so there's an even distribution across the entire time frame of your campaign. We have a wide variety of sites and options to suit any company.

Pricing:

- **Run of Network (RON)** - \$5.25CPM
- **Premium Sites** - \$6.25CPM.
